

YRC Worldwide Inc.

Management Biography

Darren D. Hawkins

President and Chief Executive Officer
YRC Worldwide Inc.

As Chief Executive Officer, Darren Hawkins leads YRC Worldwide Inc., a \$4.9 billion transportation company and its portfolio of industry-leading, less-than-truckload (LTL) companies including YRC Freight, YRC Reimer, Holland, Reddaway and New Penn. Prior to being named CEO, Hawkins was President and Chief Operating Officer of YRC Worldwide following his term as President of YRC Freight.

With over 28 years of industry experience, Hawkins brings expertise in both operations and sales. He is a results-driven leader, a clear and motivating communicator and a trusted and empowering manager. His focus throughout his transportation career has been to lead through safety and service.

Hawkins holds a Bachelor of Business Administration in marketing and supply chain management from the University of Memphis. He serves on the Board of Directors for the American Transportation Research Institute (ATRI), part of the American Trucking Associations Federation.

YRC Worldwide operating companies employ 32,000 transportation professionals throughout North America and transport more than 20 million shipments annually for more than 250,000 customers.
