Management Biography

Jason W. Bergman

Chief Customer Officer President
YRC Worldwide HNRV Logistics

As YRC Worldwide's Chief Customer Officer and President of HNRV Logistics, Jason W. Bergman leads the industry-leading enterprise sales teams of Holland, New Penn, Reddaway, YRC Freight (less-than-truckload companies), as well as HNRV Logistics, and the marketing services team of YRC Worldwide Inc.

He is dedicated to adding the technology of HNRV Logistics to the combined power of the Holland, New Penn, Reddaway and YRC Freight networks to provide significant market leverage and bring our customers new service opportunities.

With over 24 years of industry experience and service performance, Bergman brings expertise in both sales and marketing strategies. He is a market-driven collaborative team builder and solutions leader with a proven track record of growing established businesses.

Most recently, Bergman was a member of the Dicom Transportation executive leadership team where he was responsible for the organization's enterprise commercial strategy and marketing services for developing supply chain solutions across all Dicom business units.

He holds a Bachelor of Arts degree from Rutgers University and teaches at the Rutgers Business School Department of Supply Chain Management.
