

YRC Worldwide Inc.

Management Biography

J. Mike Kelley

Chief Sustainability Officer
Vice President, External Affairs
YRC Worldwide Inc.

As Chief Sustainability Officer, Mike Kelley is responsible for the development, implementation and integration of sustainability strategies, goals, measurements and reporting across YRC Worldwide. He represents YRCW in sustainability discussions with customers, the community and a number of national, international and industry groups. Mike also serves as Vice President - External Affairs, where he is responsible for the promotion and protection of YRCW interests before trade associations and with legislative and regulatory officials at the local, state and federal level.

His experience includes positions at the Kansas Motor Carriers Association, Yellow Freight System, and the U.S. House of Representatives and U.S. Senate as a Congressional Aide. He is co-chair of the American Trucking Associations' Sustainability Task Force and immediate past chair and member of the American Trucking Associations' Environmental Policy Committee.

Most recently, Kelley was appointed by Kansas Governor Kathleen Sebelius to serve on the Kansas Energy and Environmental Policy Advisory Group.

He holds a Bachelor of Arts degree in Political Science with an emphasis in state and local government from Avila College and a Masters of Business Administration from Rockhurst University.
