

YRC Worldwide Inc.

Management Biography

Michael J. Smid

President and Chief Executive Officer
YRC North American Transportation

As President and CEO of North American Transportation, Mike Smid is responsible for the asset-based operating companies of YRC Worldwide, including Yellow Transportation, Roadway, Reimer Express Lines, USF and New Penn. Smid was named to this position after serving as President and Chief Executive Officer of YRC National Transportation.

In September 2005, Smid was named President and Chief Executive Officer of Roadway. Prior to that position, Smid was President of YRC Worldwide Enterprise Services and Chief Integration Officer for YRC Worldwide. Beginning in June 2000, he served as Executive Vice President and Chief Administrative Officer for Yellow Transportation, responsible for ensuring the efficient operation of the North America service facilities network and international transportation system. Smid joined the company in 1985, and has worked in a wide variety of management capacities, including Senior Vice President, Operations; Group Vice President, Director of Operations, Regional Management, Distribution Center Manager, Sales and Branch Management.

Smid's previous transportation experience includes responsibility for regional distribution at McLean Trucking, based in Detroit. Smid holds a Bachelor of Science degree in business logistics from the University of Missouri-Columbia.
